An "independent living arrangement" includes a residential facility licensed under section 5119.34 of the Revised Code that provides accommodations, supervision, and personal care services for three to sixteen unrelated adults, but does not include other institutions or facilities licensed by the state or facilities in which a person resides as a result of voluntary, civil, or criminal commitment.

(B) The department shall plan implementation of the information system on a county-by-county basis. The department shall promptly notify all county departments of the initiation and completion of statewide implementation of the information system.

(C) Except as provided in division (C)(3) of this section and in rules adopted by the department pursuant to that division:

(1) The information contained in or obtained from the information system is confidential and is not subject to disclosure pursuant to section 149.43 or 1347.08 of the Revised Code.

(2) No person shall knowingly do either of the following:

(b) Disclose information obtained from the information system.

(3) Information contained in the information system may be accessed or used only in a manner, to the extent, and for the purposes, authorized by rules adopted by the department.

5101.62 Investigations.

The county department of job and family services or its designee shall be responsible for the investigation of all reports provided for in section 173.20 or 5101.61 and all cases referred to it under section 5126.31 of the Revised Code and for evaluating the need for and, to the extent of available funds, providing or arranging for the provision of protective services.

Investigation of the report provided for in section 5101.61 or a case referred to the department under section 5126.31 of the Revised Code shall be initiated within twenty-four hours after the department receives the report or case if any emergency exists; otherwise investigation shall be initiated within three working days.

Investigation of the need for protective services shall include a face-to-face visit with the adult who is the subject of the report, preferably in the adult's residence, and consultation with the person who made the report, if feasible, and agencies or persons who have information about the adult's alleged abuse, neglect, or exploitation.

The department shall give written notice of the intent of the investigation and an explanation of the notice in language reasonably understandable to the adult who is the subject of the investigation, at the time of the initial interview with that person.

Upon completion of the investigation, the department shall determine from its findings whether or not the adult who is the subject of the report is in need of protective services. No adult shall be determined to be abused, neglected, or in need of protective services for the sole reason that, in lieu of medical treatment, the adult relies on or is being furnished spiritual treatment through prayer alone in accordance with the tenets and practices of a church or religious denomination of which the adult is a member or adherent. The department shall write a report which confirms or denies the need for protective services and states why it reached this conclusion.

5101.621 Memorandum of understanding related to responsibilities in cases of adult abuse, neglect, and exploitation.

(A) Each county department of job and family services shall prepare a memorandum of understanding that is signed by all of the following:

(1) The director of the county department of job and family services;

(2) If the county department has entered into an interagency agreement with a local agency pursuant to section 5101.622 of the Revised Code, the director of the local agency;

(3) The county peace officer;

(4) All chief municipal peace officers within the county;

(5) Other law enforcement officers handling adult abuse, neglect, and exploitation cases in the county;

(6) The prosecuting attorney of the county;

(7) The coroner of the county.

(B) The memorandum of understanding shall set forth the procedures to be followed by the persons listed in division (A) of this section in the execution of their respective responsibilities related to cases of adult abuse, neglect, and exploitation. The memorandum of understanding shall establish all of the following:

(1) An interdisciplinary team to coordinate efforts related to the prevention, reporting, and treatment of abuse, neglect, and exploitation of adults;

(2) The roles and responsibilities for handling cases that have been referred by the county department to another agency pursuant to section 5101.611 of the Revised Code;

(3) The roles and responsibilities for filing criminal charges against persons alleged to have abused, neglected, or exploited adults.

Failure to follow the procedure set forth in the memorandum of understanding is not grounds for, and shall not result in, the dismissal of any charge or complaint arising from a report of abuse, neglect, or exploitation or the suppression of any evidence obtained as a result of a report of abuse, neglect, or exploitation and does not give any rights or grounds for appeal or post-conviction relief to any person.

(C) The memorandum of understanding may, in addition, be signed by any of the following persons who are also members of the interdisciplinary team described in division (B)(1) of this section:

(1) A representative of the area agency on aging, as defined in section 173.14 of the Revised Code;

(2) The regional long-term care ombudsman;

(3) A representative of the board of alcohol, drug addiction, and mental health services;

(4) A representative of the board of health of a city or general health district;

(5) A representative of the county board of developmental disabilities;

(6) A representative of a victim assistance program;

(7) A representative of a local housing authority;

(8) Any other person whose participation furthers the goals of the memorandum of understanding.

5101.622 Authority to contract with other entities to perform certain duties.

The county department of job and family services may enter into an agreement or contract with another person or government entity to perform the following duties:

(A) In accordance with division (G) of section 5101.61 of the Revised Code, receive reports made under that section;

(B) Perform the county department's duties under section 5101.62 of the Revised Code;

(C) Petition the court pursuant to section 5101.65 or 5101.69 of the Revised Code for an order authorizing the provision of protective services.

5101.63 Temporary restraining order.

If, during the course of an investigation conducted under section 5101.62 of the Revised Code, any person, including the adult who is the subject of the investigation, denies or obstructs access to the residence of the adult, the county department of job and family services may file a petition in court for a temporary restraining order to prevent the interference or obstruction. The court shall issue a temporary restraining order to prevent the interference or obstruction if it finds there is reasonable cause to believe that the adult is being or has been abused, neglected, or exploited and access to the person's residence has been denied or obstructed. Such a finding is prima-facie evidence that immediate and irreparable injury, loss, or damage will result, so that notice is not required. After obtaining an order restraining the obstruction of or interference with the access of the protective services representative, the representative may be accompanied to the residence by a peace officer.

5101.64 Request or consent to receiving protective services.

Any person who requests or consents to receive protective services shall receive such services only after an investigation and determination of a need for protective services, which investigation shall be performed in the same manner as the investigation of a report pursuant to sections 5101.62 and 5101.63 of the Revised Code. If the person withdraws consent, the protective services shall be terminated.

5101.65 Petitioning for court order to provide protective services.

If the county department of job and family services determines that an adult is in need of protective services and is an incapacitated person, the department may petition the court for an order authorizing the provision of protective services. The petition shall state the specific facts alleging the abuse, neglect, or exploitation and shall include a proposed protective service plan. Any plan for protective services shall be specified in the petition.

5101.66 Notice of petition.

Notice of a petition for the provision of court-ordered protective services as provided for in section 5101.65 of the Revised Code shall be personally served upon the adult who is the subject of the petition at least five working days prior to the date set for the hearing as provided in section 5101.67 of the Revised Code. Notice shall be given orally and in writing in language reasonably understandable to the adult. The notice shall include the names of all petitioners, the basis of the belief that protective services are needed, the rights of the adult in the court proceedings, and the consequences of a court order for protective services. The adult shall be informed of his right to counsel and his right to appointed counsel if he is indigent and if appointed counsel is requested. Written notice by certified mail shall also be given to the adult's

guardian, legal counsel, caretaker, and spouse, if any, or if he has none of these, to his adult children or next of kin, if any, or to any other person as the court may require. The adult who is the subject of the petition may not waive notice as provided in this section.

5101.67 Hearing.

(A) The court shall hold a hearing on the petition as provided in section 5101.65 of the Revised Code within fourteen days after its filing. The adult who is the subject of the petition shall have the right to be present at the hearing, present evidence, and examine and cross-examine witnesses. The adult shall be represented by counsel unless the right to counsel is knowingly waived. If the adult is indigent, the court shall appoint counsel to represent the adult. If the court determines that the adult lacks the capacity to waive the right to counsel, the court shall appoint counsel to represent the adult's interests.

(B) If the court finds, on the basis of clear and convincing evidence, that the adult has been abused, neglected, or exploited, is in need of protective services, and is incapacitated, and no person authorized by law or by court order is available to give consent, it shall issue an order requiring the provision of protective services only if they are available locally.

(C) If the court orders placement under this section it shall give consideration to the choice of residence of the adult. The court may order placement in settings which have been approved by the department of job and family services as meeting at least minimum community standards for safety, security, and the requirements of daily living. The court shall not order an institutional placement unless it has made a specific finding entered in the record that no less restrictive alternative can be found to meet the needs of the individual. No individual may be committed to a hospital or public hospital as defined in section 5122.01 of the Revised Code pursuant to this section.

(D) The placement of an adult pursuant to court order as provided in this section shall not be changed unless the court authorized the transfer of placement after finding compelling reasons to justify the transfer. Unless the court finds that an emergency exists, the court shall notify the adult of a transfer at least thirty days prior to the actual transfer.

(E) A court order provided for in this section shall remain in effect for no longer than six months. Thereafter, the county department of job and family services shall review the adult's need for continued services and, if the department determines that there is a continued need, it shall apply for a renewal of the order for additional periods of no longer than one year each. The adult who is the subject of the court-ordered services may petition for modification of the order at any time.

5101.68 Temporary restraining order to restrain person from interfering with provision of protective services.

(A) If an adult has consented to the provision of protective services but any other person refuses to allow such provision, the county department of human services may petition the court for a temporary restraining order to restrain the person from interfering with the provision of protective services for the adult.

(B) The petition shall state specific facts sufficient to demonstrate the need for protective services, the consent of the adult, and the refusal of some other person to allow the provision of these services.

(C) Notice of the petition shall be given in language reasonably understandable to the person alleged to be interfering with the provision of services.

(D) The court shall hold a hearing on the petition within fourteen days after its filing. If the court finds that the protective services are necessary, that the adult has consented to the provisions of such services, and that the person who is the subject of the petition has prevented such provision, the court shall issue a temporary restraining order to restrain the person from interfering with the provision of protective services to the adult.

5101.69 Emergency order.

(A) Upon petition by the county department of job and family services or its designee, the court may issue an order authorizing the provision of protective services on an emergency basis to an adult. The petition for any emergency order shall include all of the following:

- (1) The name, age, and address of the adult in need of protective services;
- (2) The nature of the emergency;
- (3) The proposed protective services;
- (4) The petitioner's reasonable belief, together with facts supportive thereof, as to the existence of the circumstances described in divisions (D)(1) to (3) of this section;
- (5) Facts showing the petitioner's attempts to obtain the adult's consent to the protective services.

(B) Notice of the filing and contents of the petition provided for in division (A) of this section, the rights of the person in the hearing provided for in division (C) of this section, and the possible consequences of a court order, shall be given to the adult. Notice shall also be given to the spouse of the adult or, if the adult has none, to the adult's adult children or next of kin, and the adult's guardian, if any, if the guardian's whereabouts are known. The notice shall be given in language reasonably understandable to its recipients at least twenty-four hours prior to the hearing provided for in this section. The court may waive the twenty-four hours' notice requirement upon a showing that both of the following are the case:

- (1) Immediate and irreparable physical harm or immediate and irreparable financial harm to the adult or others will result from the twenty-four hour delay;
- (2) Reasonable attempts have been made to notify the adult, the adult's spouse, or, if the adult has none, the adult's adult children or next of kin, if any, and the adult's guardian, if any, if the guardian's whereabouts are known.

Notice of the court's determination shall be given to all persons receiving notice of the filing of the petition provided for in this division.

(C) Upon receipt of a petition for an order for emergency services, the court shall hold a hearing no sooner than twenty-four and no later than seventy-two hours after the notice provided for in division (B) of this section has been given, unless the court has waived the notice. The adult who is the subject of the petition shall have the right to be present at the hearing, present evidence, and examine and cross-examine witnesses.

(D) The court shall issue an order authorizing the provision of protective services on an emergency basis if it finds, on the basis of clear and convincing evidence, all of the following:

(1) The adult is an incapacitated person;

(2) An emergency exists;

(3) No person authorized by law or court order to give consent for the adult is available or willing to consent to emergency services.

(E) In issuing an emergency order, the court shall adhere to the following limitations:

(1) The court shall order only such protective services as are necessary and available locally to remove the conditions creating the emergency, and the court shall specifically designate those protective services the adult shall receive;

(2) The court shall not order any change of residence under this section unless the court specifically finds that a change of residence is necessary;

(3) The court may order emergency services only for fourteen days. The county department or its designee may petition the court for a renewal of the order for a fourteen-day period upon a showing that continuation of the order is necessary to remove the emergency.

(4) In its order the court shall authorize the director of the county department, the director's designee, or a representative of the department's designee to give consent for the person for the approved emergency services until the expiration of the order;

(5) The court shall not order a person to a hospital or public hospital as defined in section 5122.01 of the Revised Code.

(F) If the county department or its designee determines that the adult continues to need protective services after the order provided for in division (D) of this section has expired, the county department or its designee may petition the court for an order to continue protective services, pursuant to section 5101.65 of the Revised Code. After the filing of the petition, the county department or its designee may continue to provide protective services pending a hearing by the court.

5101.691 Ex parte emergency order authorizing provision of protective services.

(A) A court, through a probate judge or a magistrate under the direction of a probate judge, may issue by telephone an ex parte emergency order authorizing the provision of protective services, including the relief available under division (B) of section 5101.692 of the Revised Code, to an adult on an emergency basis if all of the following are the case:

(1) The court receives notice from the county department of job and family services, an authorized employee of the county department, the department's designee, or an authorized employee of the department's designee, that the county department, designee, or employee believes an emergency order is needed as described in this section.

(2) There is reasonable cause to believe that the adult is incapacitated.

(3) There is reasonable cause to believe that there is a substantial risk to the adult of immediate and irreparable physical harm, immediate and irreparable financial harm, or death.

(B)

(1) The judge or magistrate shall journalize any order issued under this section.

(2) An order issued under this section shall be in effect for not longer than twenty-four hours, except that if the day following the day on which the order is issued is not a working day, the order shall remain in effect until the next working day.

(C)
